

# New for Spring 2011

Deadline August 15th

## BSN Entry

The demand for bachelor degreed nurses is growing. We will now offer admission to our BSN Entry program twice per year. Twenty students will be admitted for the Spring 2011 semester.

Requirements: the below courses must be completed prior to entering the BSN program. To apply you must have a minimum of 16 credits complete that consist of one core science, three additional general education courses listed below along with proof of math proficiency.

- Microbiology
- Human Anatomy
- Human Physiology
- Principles of Nutrition
- Fundamentals of Chemistry
- English Composition
- Expository Writing
- Life Span Development
- Introduction to Psychology
- Intermediate Algebra/Math Proficiency

## ASN Weekend Option

The design of this program is to allow students the ability to achieve their associate in nursing and continue with life expectations along the way. Nursing courses are Thursday, Friday and Saturday. Twenty students will be admitted for the Spring 2011 semester.

Requirements: all general education courses listed below must be complete prior to starting the program.

- Microbiology
- Human Anatomy
- Human Physiology
- Principles of Nutrition
- Fundamentals of Chemistry
- English Composition
- Introduction to Philosophy
- Introduction to Psychology
- Introduction to Sociology
- Computer Resources
- Intermediate Algebra/Math Proficiency
- Promoting Learning & Ultimate Success
